## Declaration concerning RoHS conformity

We thank you for your request for information on the EU directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (also known as RoHS 2).

We are pleased to declare as follows:

Our companies are operating internationally and consider the preservation of the environment and of the natural resources as a corporate obligation.

For that reason, the companies **EMUGE-Werk Richard Glimpel GmbH & Co. KG** and **FRANKEN GmbH & Co. KG** have decided not to market any articles in their range of products that do not comply with the requirements and definitions of the RoHS.

All products of the companies **EMUGE-Werk Richard Glimpel GmbH & Co. KG** and **FRANKEN GmbH & Co. KG** are compliant with the current regulations of the Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 and its amendments.

Yours faithfully
